ST. XAVIER'S COLLEGE

Maharo, Dumka

THE SOCIETY OF JESUS, a Christian Religious Order founded by St. Ignatius of Loyola in 1540, has been active in the field of education throughout the world since its origin. It administers and runs over 350 high schools, 45 university colleges, 27 technical institutes and 8 Business Management institutes in India, with the assistance of over 13000 lay staff, educating about 4,50,000 young people belonging to every class, community and linguistic group through the medium of English language and regional languages. These institutions are part of the Catholic Church's effort to share in the country's educational growth. This effort while being particularly directed towards the Christian Community has been always active at the service of the whole nation without any discrimination.

JESUIT EDUCATION is inspired by a vision of a man drawn from the life and teaching of Jesus Christ. It is also based on the principles of character formation elaborated by St. Ignatius of Loyola and promulgated by St. Francis Xavier. This vision and these principles give the Jesuit institutions a specific character, and set before their staff and students high ideals of humanism and service towards which they are invited to strive continually. Such an education inspires the students with:

- A deep sense of religious and moral principles which help the students to be open to their fellow human beings and to God
- A sense of social responsibility and commitment
- A desire for enlightened leadership committed to the service and development of the nation.
- An appreciation of Indian and world cultures
- A sense of creative responsibility, freedom and maturity.

ST.XAVIER'S COLLEGE, Maharo is established, run and administered by Dumka-Raiganj Province of the Society of Jesus. It is affiliated to Sidu Kanhu Murmu University, Dumka. It is a self-financed minority college.

ITS VISION AND COMMITMENT:

ST.XAVIER'S COLLEGE aims at an integral and total development of the human person through liberal and scientific knowledge, character formation and personality development. It strives to form men and women of competence, conscience and compassionate commitment, who are intellectually competent, morally upright, socially committed, spiritually inspired and nationally dedicated 'men and women for others' in the service of the nation.

Hence, the college commits itself to:

- Achieve high standard of academic excellence by providing well planned courses and programmes, and maintain conducive academic atmosphere in the campus.
- Assist in the total formation of each individual through character formation, value education, leadership qualities and discipline.
- Promote social justice, harmony and brotherhood in society
- Uphold the dignity and equality of every human person irrespective of caste and creed
- Promote respect for every religion and culture
- Preserve ecology and environment for healthy living
- Offer personal accompaniment through individual care and concern for one's growth and development
- Empower the less privileged and vulnerable sections of society, the tribals, dalits, women etc.

METHODOLOGY:

This institution uses the following methodology for imparting education:

- It uses Integral Pedagogical Paradigm as its methodology. that is based on five principles:
- **Context:** life experiences of the students become the context of the lesson.
- **Experience:** cognitive and effective knowledge of the matter
- **Reflection:** Through reflection, the student grasps the significance of their lesson more fully which leads to a more formative and liberative process.
- **Action:** internal human growth and its external manifestation.
- **Evaluation:** to know the extent of benefit to the student.

It uses cooperative learning, rather than competitive learning as its methodology. Peer tutoring, group study etc. will help all sections of students to understand and personalise their lessons and help each other to grow.

Multiple intelligence: the institution will create an atmosphere where each student's various intelligences are taken into account and each student is helped to develop various intelligences to shine in life.

THE LORD'S PRAYER

OUR Father in Heaven, Holy be your name,
Your kingdom come, Your will be done on earth as it is in heaven.
Give us today our daily bread, forgive us our sins,
As we forgive those who sin against us.
Do not bring us to the test, but deliver us from evil. Amen.

PRAYER BEFORE THE CLASS

Lord, give me the courage/ to answer your call
To risk my name,
To be true.
Lord, give me the courage/ to say/ what I know
Will not pay,
To leave/ what good fortune can give,
To spend my days in less
Leisurely ways.
Lord, give me the courage / to run/ where the brave,
Dare not go,
To fight for the right/ without question or pause,
To serve with love,
Without hope for reward.

PRAYER AFTER THE CLASS

Let us pray the Almighty, Source of all knowledge and goodness,
That what we have learnt today, we will use to be better
tomorrow, For his glory, for our sake, and that of our fellow men
and women.

AMEN

PRAYER FOR GENEROSITY

Dearest Lord, teach me to be generous
Teach me to serve You as You deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labour and not to ask for any reward,
Save that of knowing that I am doing Your holy will.
