

Seminar on Internship and Placement Held at St. Xavier's College, Maharo

Maharo, April 8, 2026:

St. Xavier's College, Maharo organized a seminar on Industrial Internship and Placement Program in collaboration with Paultech Software Private Limited, Jamshedpur.

The seminar was inaugurated by Principal Rev. Fr. Dr. Vargese Palli SJ and Secretary Rev. Fr. Dr. Damian Tudu SJ. Dr. Amresh Bose from the Department of Computer Science also addressed the students, encouraging them to embrace technological advancements.

On this occasion, the college signed a Memorandum of Understanding (MoU) with Paultech Software Private Limited to enhance internship and placement opportunities for students. Students from BCA, BBA, and B.Com participated enthusiastically and registered for internships offered by the company.

Mr. Abhijeet Paul, Director of Paultech Software Private Limited, along with HR Head Mrs. Daljeet Kaur, provided valuable insights into industry expectations and career prospects. Mr. Devasish Kumar demonstrated important technical skills during the session. The seminar was successfully coordinated by faculty members of the college. The event was highly informative and is expected to benefit students in their career development.

Congratulations Memorandum of Understanding
