

Report on Seminar on Industrial Internship and Placement Program

Date: 8th April 2026

Venue: St. Xavier's College, Maharo

A seminar on Industrial Internship and Placement Program was successfully conducted on 8th April 2026 at St. Xavier's College, Maharo in collaboration with Paultech Software Private Limited, Jamshedpur. The objective of the seminar was to provide students with insights into internship opportunities, industry requirements, and career development.

The event was inaugurated by the esteemed Principal, Rev. Fr. Dr. Vargese Palli SJ, and Secretary of the College, Rev. Fr. Dr. Damian Tudu SJ. Their presence added significance to the program and inspired students to actively participate. Dr. Amresh Bose from the Department of Computer Science also addressed the gathering and encouraged students to connect with emerging technologies.

During the seminar, the college signed a Memorandum of Understanding (MoU) with Paultech Software Private Limited, Jamshedpur to facilitate internship and placement opportunities for students. This collaboration aims to bridge the gap between academic learning and industry requirements.

Students from BCA, BBA, and B.Com streams attended the seminar enthusiastically and registered for internship opportunities offered by the company.

The program was coordinated successfully with the support of faculty members including:

- Dr. Kusum Kanan Mishra, HOD, Department of BBA
- Mr. Pinaki Gorai, HOD, Department of BCA
- Mr. Alok Emmanuel Kisku, Assistant Professor, Department of BBA
- Ms. Monalisha Das, Assistant Professor, Department of BBA
- Mr. Soumyadeep Lowbo, Assistant Professor, Department of BCA
- Mr. Dilip Jaiswal, Assistant Professor, Department of Mathematics

Representing the industry, Mr. Abhijeet Paul, Director of Paultech Software Private Limited, along with HR Head Mrs. Daljeet Kaur, guided students regarding internship structure, expectations, and career opportunities. Mr. Devasish Kumar also demonstrated essential technical skills and emphasized their importance in building a successful career.

The seminar proved to be highly informative and beneficial for students, enhancing their awareness of industry trends and preparing them for future professional challenges.
