

Awareness Program on Fire Fighting and Safety

Organised by Jharkhand Fire Services (JFS)

Under "Fire Fighting Service Week" (14th April – 20th April 2026)

Date: 15.04.2026

Venue: GCR

An awareness program on fire fighting and safety was successfully organized by Jharkhand Fire Services (JFS) as part of the observance of 'Fire Fighting Service Week' from 14th April to 20th April 2026 on 15th April, 2026 in the GCR. The objective of the program was to educate students about fire hazards, safety measures, and emergency response techniques.

The session was conducted by Mr. Rajkumar Pandey from Jharkhand Fire Services, who delivered an informative and practical demonstration on the use of fire extinguishers during fire incidents, especially in building fires. He explained different types of fires and the appropriate methods to control them. The demonstration included hands-on training, enabling students to understand the correct usage of fire safety equipment.

Mr. Pandey also highlighted essential preventive measures to avoid fire accidents, such as proper handling of electrical appliances, safe storage of flammable materials, and maintaining awareness during emergencies. Students actively participated in the session and gained valuable knowledge about fire safety practices.

The program was attended by faculty members including Dr. Mahender Kujur, Mr. Farid Khan, Mr. Henry Ronald Tudu, and Mr. Amit Kumar Hansdak, whose presence added encouragement and support to the initiative.

The awareness program proved to be highly beneficial in enhancing students' understanding of fire safety and preparedness, thereby contributing to a safer and more informed community.
